Twistseal:
Sealing wire seal.
Made by LeghornGroup

Description

**TWIST SEAL, wire seal, is particularly suitable to be used with electric, gas and water meters. It is moreover frequently used in the refinery and oil distribution sector. Transparent exterior for better control of the closing mechanism. To close, turn the handle of the seal 360°. Once closed it is advisable to snap off the handle. It is impossible to tamper the seal once it is secured.
It is impossible to tamper the seal once it is secured.**
